

D-LEAD® RESPIRATOR & LAUNDRY DETERGENT

3235ES-4	4 x 1 gallon
3235ES-5	5 gallon pail
3235ES-55	55 gallon drum

D-Lead® Respirator & Laundry Detergent removes lead and heavy metal dusts from lightly soiled clothing, shower towels and elastomeric respirator face pieces.

The low sudsing formula is compatible for use in high efficiency washers.

D-LEAD® EXTRA STRENGTH LAUNDRY DETERGENT

3236ES-4	4 x 1 gallon
3236ES-5	5 gallon pail
3236ES-55	55 gallon drum

D-Lead® Extra Strength Laundry Detergent removes lead and heavy metal dusts from heavily soiled work clothes and elastomeric respirator face pieces. Recommended when washing with hard water.

(Not For Use in HE Washers)

D-LEAD® HEAVY DUTY RESPIRATOR & LAUNDRY DETERGENT

3239ES-4	4 x 1 gallon
3239ES-5	5 gallon pail
3239ES-55	55 gallon drum

D-Lead® Heavy Duty Respirator & Laundry Detergent removes lead and heavy metal dusts from the most heavily soiled work clothes, apron, shop towels and elastomeric respirator face pieces. Recommended when washing in extremely hard water.

(Not For Use in HE Washers)

REMOVE LEAD, CHROMIUM, MERCURY, NICKEL, CADMIUM, ARSENIC, SILVER, ZINC AND MOST OTHER HEAVY METALS

D-BACT™ DISINFECTANT CLEANER

7102ES-4	4 x 1 gallon
7102ES-55	55 gallon drum

D-Bact™ Disinfectant is an EPA registered Disinfectant, Mildewstat, Fungicide, Deodorizer and Detergent Cleaner. For use on hard, non-porous surfaces in rest rooms, showers, first aid rooms, locker rooms, lunch rooms and kitchens. Not for use on eating utensils, glassware or dishes. It is produced without any EDTA, or Chelates. Use D-Bact™ for fast, waste water safe cleaning and disinfection.

EPA registration No. 1839-103-74928
